

# I Worship You, Almighty God

I worship You, Almighty God,  
There is none like You.

I worship You, O Prince of Peace,  
That is what I want to do.

I give You praise,  
For You are my righteousness.

I worship You, Almighty God,  
There is none like You.

I worship You, Almighty God,

There is none like You.

I worship You, O Prince of Peace,

That is what I want to do.

I give You praise,

For You are my righteousness.

I worship You, Almighty God,

There is none like You.
