

Your Love is Changing the World

(Refrain)

O Lord, your love is changing the world;

Day by day we are renewed.

Your light is shining in every heart;

Dark-ness will soon be consumed.

O Je—sus, you are the way, the truth and life;

No—one comes to the Father but by you.

O Lord, your love is changing the world;

Day by day we are renewed.

Your light is shining in every heart;

Dark-ness will soon be consumed.

O Je—sus, you are the bread of life;

Feed...us with your precious word.

O Lord, your love is changing the world;

Day by day we are renewed.

Your light is shining in every heart;

Dark-ness will soon be consumed.

O Je—sus you are the living water;

Fill....us with eternal life.

O Lord, your love is changing the world;

Day by day we are renewed.

Your light is shining in every heart;

Dark-ness will soon be consumed.

O Je—sus, we give up all our cares to you;

Lift us up ...upon your healing wings.

O Lord, your love is changing the world;
Day by day we are renewed.
Your light is shining in every heart;
Dark-ness will soon be consumed.
